

MidWest Materials, a family owned and operated steel service center is seeking a **Slitter Operator** to join our team at our facility located in Perry, Ohio.

This position is responsible for the following:

- Operate steel slitting line: including proper setup of knives and spacers, running good quality materials based on customers' specifications and adjusting as needed to ensure a good product.

Maintain all aspects of product quality including appearance of material, dimensional tolerance, weight, piece count and in-process and post process inspections.

- Prepare inspection records and report production data.
- Assist with handling quality issues.
- Communicate with other areas on changes to scheduling, processing, etc.
- Report machine malfunctions.
- Operate packaging equipment and all warehouse equipment in a safe and reliable manner.
- Maintain a safe work environment by practicing good work habits, housekeeping procedures and adhering to safety guidelines.
- Wear all proper protective equipment as required in work and accordance with Safety Policy and OSHA standards. Items may include: safety glasses, safety shoes/boots, hearing protection, etc.

Job Requirements:

- High school diploma, or equivalent.
- 3-5 years of slitting operation experience.
- Ability to accurately use measurement equipment, including calipers, tape measure, micrometers, feeler gauges etc.
- General knowledge of crane operations.
- Attention to detail with the ability to follow processes, procedures and verbal instructions.
- Ability to plan ahead and prioritize workload.
- Must be able to lift 50lbs, stand for 8 hours/day and walk, sit, stand, bend, scoop, kneel, crouch or crawl.
- Successfully complete a background check, drug screen and math abilities test.
- Basic computer skills, such as data entry and retrieval.
- Ability to communicate with management and co-workers, and ability to work well independently or in a team.
- Experience working in a steel service center preferred.

For consideration please send your resume to lisa.snyder@midwestmaterials.com or fax to 440-637-0405.

Respond by August 31, 2015.
